Fun Shoot 2019

On the 15th September the Cornwall Provincial Shooting Society held their annual Fun Shoot, this year hosted very kindly by Richard and Alison Mably at Trentinney Farm. A huge thank you to them.

Superb weather and perfect conditions for this event, a thoroughly enjoyable day was had by all with over 30 people attending. Some beginners, some more experienced and some who had never shot a gun before. The event proved a huge success with not only profits going towards the 2024 Festival where an accumulative total will be handed over at the end but with possibly obtaining new recruits and introducing people to something they have never done before.

After a very tense shoot off between six shooters, we were finally convincingly beat by Barry Chalkley, Well Done Barry.

Our next event will be on the 6th October when we travel up to Wiltshire to compete as a Provincial Team against other South West Provinces.
