TWO BRETHREN
present
“AT HOME WITH RUDYARD KIPLING”

The Two Brethren having almost completed bookings for their presentation “William Hogarth visits a Lodge” are now taking bookings for “**At Home with Rudyard Kipling**”

Rudyard Kipling was a most important Freemason at the end of the 19th and the beginning of the 20th Century, with many of his stories and poems having a masonic connection. Some poems are well known to Freemasons, such as The Mother Lodge, King Solomon's Banquet, etc, and some of his stories, with a masonic connection have been made into films such as The Man who would be King and Kim. The Man who would be King is a very well known film, and has many masonic references that we as Freemasons would notice straight away, but those who are not Freemasons would probably not notice! We will look at Kipling's life including his childhood, marriage, family, travels and his masonic life.

The Two Brethren will be dressed as gentlemen of the 1930's with the presentation being in the region of some 30 minutes.
